Youth Support Services

Pupils aged 13+

Once our pupils reach the age of 13 we will pass pupil information including name, date of birth, address, contact telephone numbers and destination after leaving school to Inspira as they have responsibilities in relation to the education of 13-19 year olds under section 507B of the Education Act 1996 and The Education and Schools Act 2008. This enables them to provide services as follows:

- youth support services;
- careers advisers.

A parent or guardian can request that **only** their child's name, address and date of birth is passed on to Inspira by informing the Headteacher's PA or admin office. This right is transferred to the pupil once they are 13.

Pupils aged 16+

We will also share certain information about pupils aged 16+ with Inspira including name, date of birth, address, contact telephone numbers and destination after leaving school as they have responsibilities in relation to the education of 13-19 year olds under section 507B of the Education Act 1996 and The Education and Schools Act 2008. This enables them to provide services as follows:

- post-16 education and training providers;
- youth support services;
- careers advisers

The National Pupil Database (NPD)

The NPD is owned and managed by the DfE and contains information about pupils in schools in England. It provides evidence on educational performance to inform independent research, as well as studies commissioned by the DfE. It is held in electronic format for statistical purposes. This information is securely collected from a range of sources including schools, local authorities and awarding bodies.

We are required by law, to provide information about our pupils to the DfE as part of statutory data collections such as the school census and early years' census. Some of this information is then stored in the NPD. The law that allows this is the Education (Information About Individual Pupils) (England) Regulations 2013.

To find out more about the NPD go to:

<https://www.gov.uk/government/publications/national-pupil-database-user-guide-and-supporting-information>.

The DfE may share information about our pupils from the NPD with third parties who promote the education or well-being of children in England by:

- conducting research or analysis;
- producing statistics;
- providing information, advice or guidance.

The DfE has robust processes in place to ensure the confidentiality of our data is maintained and there are stringent controls in place regarding access and use of the data. Decisions on whether the DfE releases data to third parties are subject to an approval process and based on a detailed assessment of:

- who is requesting the data;
- the purpose for which it is required;
- the level and sensitivity of data requested; and
- the arrangements in place to store and handle the data.

To be granted access to pupil information, organisations must comply with strict terms and conditions covering the confidentiality and handling of the data, security arrangements and retention and use of the data.
